

8th Grade Fundraiser

GET YOUR PIZZA COUPONS!

The 8th graders have the opportunity to sell Lou Malnati's Frozen Pizza coupons to help raise money for their DC/Chicago trip in May. This fundraiser is **STRICTLY OPTIONAL** for students to participate in.

How does it work?

Sale begins: **Friday, December 1st**

Sale ends: **Friday, January 26th**

Order form & money due to Maple Office: **Friday, January 26th**

Your 8th grader solicits orders for **Lou Malnati's 9" frozen pizzas coupons** (cheese, spinach, veggies, sausage and pepperoni varieties) at a **price of \$13 each**. Print out and use the attached order form. (copies also available in the Maple office). Students turn in the completed order form and monies collected (cash and checks payable to Maple PTO only) to the Maple front office in an envelope labeled "Pizza Fundraiser" by **Friday January 26th**.

The coupons will be distributed in advisory, your 8th grader will then deliver the coupons to the folks they have sold to. The coupons can be redeemed at a local Lou

Malnati's for a frozen 9" pizza. Your 8th grader **makes \$5 for each pizza** coupon that is sold. His/her profit is tracked and kept by the PTO in individual student Earned Fund Account (EFA) and is applied to their respective Maple/**WorldStrides** before the trip.

These make great gift items (stocking stuffer, employee gifts, teacher gifts, etc.). You can stock your freezer or pick up pizzas last minute with the coupons!

**** Note: Coupons expire six months from fundraiser . ****
