IAR ASSESSMENT MAILING

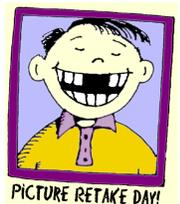

The District has received the data from the Illinois Assessment for Readiness (IAR) that was given last spring. Student results will be mailed to parents this week. Should you have any questions, feel free to reach out to your principal or Dr. Hirsch.

PARENT AND STUDENT PORTAL

For accuracy and security purposes, please refrain from giving your child(ren) your Parent Portal username and password. In Parent Portal, you have access to sensitive forms and information about your child(ren), which they should not have access to and update. Earlier this month, students received multiple emails about how to access their own Student Portal account. If you have any questions about this, please contact jloppnow@district30.org

LIFETOUCH PHOTOS

Soon, Maple students will be receiving photos or a photo card from Lifetouch if they took a picture in September. Picture retake day is Wednesday, November 3, 2021.

-For students who didn't order photos, you will receive a "Portrait ID" card to review your pictures online. If you would like to place an order you may do so using the Portrait ID and Access code on the card.

-If a student ordered a photo package and they want a new picture taken, bring what you don't want to the photographer on picture re-take day, take a new picture, and your package will be replaced.

HALLOWEEN DRESS UP DAY

FRIDAY, OCTOBER 29

We are looking forward to celebrating Halloween again this school year! All students and staff are all encouraged to wear costumes. To make it a positive experience for all, costumes must be school appropriate.

The following things are **not** permitted

- Halloween masks or anything that impairs vision
- Weapons of any kind (real or toy)
- Anything that promotes drugs or alcohol
- Anything that involves ethnic or racial stereotypes

Students are expected to fully participate in classes throughout the day. A change of clothing should be brought to school, in case a costume is deemed inappropriate or becomes distracting to the learning process. We look forward to seeing everyone's creative costumes!

SCIENCE TEAM TRYOUTS

Information sessions will be held on Tuesday, October 19, for 6 & 7th grade students, and Friday, October 22, for 8th grade students. Students should meet Mrs. Dombeck in the Cafetorium from 3:45 - 4:15 pm. Tryouts will be Tuesday, October 26, for 6 & 7th grade students and Friday, October 29, for 8th grade students. Any questions, see Mrs. Dombeck.

CHARACTER COUNTS FOOD DRIVE IS SET FOR OCTOBER 18-29,2021

HUNGER IS UNACCEPTABLE IN OUR COMMUNITY

The students of District 34, District 30, and Our Lady of Perpetual Help are coming together in conjunction with Character Counts! Week to collect food items for donation to the Northfield Township Food Pantry. We have set a community-wide goal of 10,000 food items. Collection boxes will be located at each school. Families may also choose to deliver food or check/cash donations directly to the pantry. Collection totals will be posted at www.glenview34.org/for-parents/parent-hub/charactercounts-food-drive. See flyers on page 7.

CHARACTERCOUNTS!
IN GLENVIEW

GBS/GBN ATHLETICS

PARENT SUPERVISION REQUIREMENT

To help support the safety and security of all of our students and visitors, any K-8 student must be accompanied by a parent when attending GBN or GBS home athletic events. The expectation is that parents will remain at the game to help supervise their children. Students will not be able to enter the event without a parent or guardian.

DISTRICT 30 RESPONSE TO BULLYING

We are fortunate that District 30’s students consistently demonstrate respect and care, which are aligned with our core values from Character Counts! Even though that is the norm, isolated incidents of conflict and even bullying can and do occur that require attention and growth as we go through these years. Please know that we are partners with both issues when they involve our students and impact school.

For isolated incidents of conflict, we address them with all involved students and have high expectations that they will not continue. If conflicts become ongoing and meet the definition of bullying, they are addressed through Board Policy 720.24, [STUDENT WELFARE - Prevention of and Response to Bullying](#).

Any form of bullying will not be tolerated in District 30. Bullying includes cyberbullying and means any severe or pervasive physical or verbal act or conduct, including communications made in writing or electronically, directed toward a student or students that has or can be reasonably predicted to have the effect of one or more of the following:

- Placing the student or students in reasonable fear of harm to the student’s or students’ person or property
- Causing a substantially detrimental effect on the student’s or students’ physical or mental health

- Substantially interfering with the student's or students' academic performance
- Substantially interfering with the student's or students' ability to participate in or benefit from the services, activities, or privileges provided by a school

Students are encouraged to immediately report bullying when experienced or witnessed. A report may be made orally or in writing to any District 30 staff member with whom the student is comfortable speaking. Additionally, anyone, including staff members and parents/guardians, who has information about actual or threatened bullying is encouraged to report it to administration or a staff member.

Upon receipt of a bullying report, the administrators will act swiftly to conduct a bullying investigation and respond with appropriate actions to support the victim and prevent further inappropriate behaviors from occurring. Those conducting the investigation will be in contact with the parents/guardians of both students, the alleged offender and the victim, throughout the process to allow both students the support to proceed from this situation primed for future success.

FANTASTIC INSIGHTS FOR PARENTING & PIVOTING IN A PANDEMIC

Tina Payne Bryson, Ph.D., shared fantastic parenting advice with practical examples that can benefit all of us as parents to help us with the most essential and challenging job we have, raising our children! She reminded us that "What our children need most from you, regardless of the adversity they're facing, is YOU!" She emphasized cultivating secure attachments through the power of showing up within the frameworks of creating an environment where our children feel Safe, Seen, Soothed, and Secure. Thank you to the Community Action Together for Children's Health (CATCH) for partnering with Northfield Township Schools to put on [Parenting and Pivoting in a Pandemic](#) (click on this link to watch the recorded presentation). You will be grateful for all of her great advice!

SNOWFLAKE DAY 2021

Snowflake Day 2021 is coming to Maple School on Friday, December 3rd! As our current 8th graders did not experience Snowflake as 7th graders, this year's program will be for them. The content of this day will be centered on the power of choices as it relates to drug and alcohol use. We are so excited to collaborate with the Northbrook-Glenview community and bring this valuable experience back to Maple students!

PARENT ACCESS CODES FOR SCHOOLOGY (Grades 3-8)

If you would like to have access to your child's Schoology to view their activity, your Parent Access Code, along with instructions are located on the [Parent Portal website](#). Click Forms in the left navigation, then click 2021-2022 School Year Information.

PROCEDURE FOR CALLING YOUR STUDENT OUT FOR APPOINTMENTS

Notify the health office at 847-400-8908 no later than the morning of the planned appointment in one of two ways:

- 1) Call the nurse 847.400.8908 or the front office 847.400.8900 directly before 9:00 am **OR**
2) leave a message on the health office answering machine any time after 3:35 pm and before 8:35 am.
- Share the following information: date and nature of the appointment, time you will be arriving to pick up your child, and how long your child will be gone from school
- Please call the health office when you are on your way and approximately 5 minutes from school. We will call your student out of class and have them wait for you in the office.
- When you arrive, come into the vestibule of the main entrance (door A) and your student will be sent out to you.

PROCEDURE FOR FULL DAY ABSENCES

Please call or email the health office at (847) 400-8908 for any full day absences before 8:35 am. If leaving a message, please include the date, student’s name, grade and reason for absence. If you would like a return call, leave the phone number where you can best be reached.

An authorized adult must come into the vestibule (door A). No children are allowed to leave the building unescorted.

2021 KIDS CARE FOOD DRIVE

OCTOBER 18 - 29

The students of District 34, District 30, and Our Lady of Perpetual Help are coming together in conjunction with Character Counts! Week to collect food items for donation to the Northfield Township Food Pantry. We have set a community-wide goal of 10,000 food items.

Collection boxes will be located at each school. Families may also choose to deliver food or check/cash donations directly to the pantry. Collection totals will be posted at www.glenview34.org/for-parents/parent-hub/character-counts-food-drive

HUNGER IS UNACCEPTABLE IN OUR COMMUNITY

What should you give?

The Northfield Township Food Pantry has received tremendous community support meeting the needs of our residents during the pandemic. Unfortunately there are still significant challenges simply sourcing enough food in appropriate household sizes.

Some of the most important items that are difficult to stock in sufficient numbers are canned proteins such as tuna, chicken, salmon, beef stew, pasta with meat i.e. SpaghettiOs, and beans; soup; rice and pasta mixes and shelf-stable potatoes.

For more information, please contact your school's parent volunteer or one of the Character Counts! in Glenview Committee Chairs - Scott Carlson (D30) at 847-400-1090 and Sam Kurtz (D30) at 847-498-8900.
